EDITOR'S LETTER

By our reckoning Mia Middleton has appeared in a grand total of thirteen of our magazines over the last few years, so it's about time that she finally appeared as a cover girl, and she's certainly done herself justice! But enough about her, let's talk about the rest of the girls shall we? Ashley James is the first stunner appearing in the magazine this month, and with her blonde hair and big boobs it's surely not going to be long until she finds herself on the cover of the magazine too! Who else do we have? Well, Amy Green is back with a bang, and you know that she never disappoints. Holly Gibbons is also in there, and Kayla Louise is a delight as always. And what about Love Island's Cara Delahoyde? Please enjoy...

Dear Mayfair,

I've just come back from travelling and had to share (boast!) this with you. Me and my mate Kevin have just spent six months of our gap year touring round Europe, staying in youth hostels. Needless to say, we fucked plenty of foreign babes but there was one night that I will never forget. We were up in the Austrian Alps and had got ourselves a bed in this hostel for the night, on the cheap. It was basically a single room with a load of bunk beds lined up in rows and a bathroom stuck on the end. You had to get the key from the local pub. When we arrived, there was no one else staying there so we had the entire room to ourselves but, by evening, another group of travellers had arrived: two gorgeous blonde Norwegian babes! Kevin was straight over, getting all friendly – he's a real expert at the chat – and in no time at all we had all gone out for a drink in the local bar. Magda and Trude, like us, were taking a year out and seeing more of Europe before going on to University. I forget what it was they were going to study, I was too busy imagining what it would feel like to have them sit on my face, one after the other, when Kevin was asking them questions about their private lives.

After quite a few schnapps, we all wobbled back to the hostel to 'get some sleep'. Kevin had been doing his best to get into either of their pants all night, making suggestive comments that became more and more obvious as the evening went on, but the girls just didn't seem to notice what he was talking about. Kev basically gave up by the time we got back, and I knew that, if he wasn't going to get any, then there was no way I could pick up any extras, so we got ready for bed and climbed into our bunks. Force of habit made us get into the same bunk – me on the top, him below – as we'd been dossing down in hostels together most nights and usually they were full of backpackers. Anyway, me and Kev had got into bed first, just as the girls had gone into the bathroom to get ready for the night and, when they came out, I snuck a look before they turned the lights out and I was disappointed to see that they were both wearing full-length thermal underwear.

Once the light was out, I turned over to go to sleep but all of a sudden one of them climbed into my bunk with me! "Shh," she whispered into my ear as I turned over onto my back, and then I felt her hand slide inside my boxers and her fingers wrap around my cock. I didn't know which one it was, but when I heard Kev let out a little groan, I knew that I wasn't the only lucky fucker. I pulled the covers off to allow my cock plenty of room and my mystery girl tugged my boxers down far enough for my balls to be free as well. Then she straddled my thighs and got to work wanking me off. I pulled myself up as far as possible and got my hands under her vest.

She had great tits, nice and firm, and her nipples were rock hard and jutted out over half an inch.

After a little bit of tweaking, she pulled her top off for me and then guided her tits down to my cock and rubbed her lush nipples all over my helmet. And, just as I was bracing myself for a nice blow job, she suddenly disappeared off the bed.

I had no idea where she had gone but, a few seconds later, she was back, this time with nothing on at all.

She must have got down so she could get her bottoms off, I thought as she straddled my face and brought her warm, wet pussy down onto my mouth. I happily sucked and licked and probed her cunt with my tongue as she gobbled me off, wanking my cock nice and slow and licking my helmet all over, dribbling all down my cock and balls. Then she climbed off me again and disappeared – I had no idea what the hell she was playing at but she was back again seconds later, and this time she climbed up and sank her cunt down on my cock. Man, it was fucking lovely! I held on to her by her hips as she banged away and listened to Kev and the other girl underneath us, going at it hammer and tongs.

And just as I was about to come, she got off and disappeared again. I was getting a bit annoyed by now, fancy leaving me just as I was ready to blow my load. So when she came back again, seconds later, I grabbed hold of her and positioned myself so that I was on top and she couldn't just slip away again. I slipped my cock inside her sweet pussy and put my hands on her tits, and that was when I realised it wasn't the same girl! Her tits were bigger and the nipples were a lot smaller! They had been switching beds repeatedly! That was too much for me, I pulled out and shot my spunk all over whoever it was that I was now fucking.

Once I'd come, she slipped away without a word and minutes later I heard Kev let out a loud groan as he came too. The next day, we didn't let the girls leave until they had stripped for us and let us tweak their nipples so we could tell who was who, and once we'd discovered the truth (it was Trude with the huge nips) we all fucked again, but it was nothing compared to that moment when I realised two girls had been fucking me without me even knowing it!

Mark, Taunton

Dear Mayfair,

I love it when you guys just happen to pluck photos of Mayfair favourites like Aria Giovanni out of thin air. It was like Christmas when I opened up the latest issue of the magazine. Her proportions are simply perfect. Her tits are large, but not too big that they sag. Her bum is more peachy than I can possibly imagine and when you include her legs, stomach and beautiful face, you've got the perfect woman!

Jame, Blyth.

Dear Mayfair,

It's nice to see a girl with a hairy muff, and when it's of the fiery kind like Ella Hughes life simply can't get any better! Oh yes it can! You went and gave her a dildo/vibrator to play with. Her photo shoot has been one of the highlights of your magazine over the last few years, so I have to say a big thank you. My right hand might not be so happy though, it's rather sore right now. Not sore enough for me to send you this letter via email though. Thank you, thank you, thank you!!!

Vernon, Walsall.

Dear Mayfair,

Me and my work mates in the post office were discussing the merits of a standing blowie versus a sit down suck or a lie down nosh.

Personally, I'm in favour of standing up. That way you can be in total control; you can pull out if it gets too much and you don't want to come, you can thrust yourself forward and fuck her mouth if you feel like it, or you can grab hold of her head and control the speed of the bobbing.

However, around the office there have been many different opinions. Those of us in favour of being flat on your back reckon it's the best because you're totally at their mercy; if you're going to come then there's nothing you can do about it other than let it happen. Maybe you'll come in her mouth, maybe she'll be wanking you off and she'll get it in the face, or maybe she'll not be in direct line with your nad jam and you'll end up splashing off all over yourself!

Then there's the lads who prefer to be sitting down as it's kind of halfway between the two (but I reckon most of these lads are just a bit fat and can't stand up for long coz they'll fall over

> "I slipped my cock inside her sweet pussy and put my hands on her tits, and that was when I realised it wasn't the same girl."

and they can't lie down coz they fall asleep!).

I wonder what the rest of your Mayfair readers think?

Grant, a North London depot

Dear Mayfair,

I've been a fan of Mayfair ever since I first saw it as a young man back in 1973. Back then I was sowing my oats as regular as a farmer milks his cows, but the pictures of Yaryna in 56.05 took me back to one particular summer weekend I spent with a girl named Joanne, since Yaryna is the spitting image of her (minus the neatly trimmed pubic hair!). I'd just bought a Triumph Spitfire, light blue it was with a soft top – perfect for taking young ladies away for a few days down in Brighton, and Joanie was the first girl I had taken out in it.

I think she fell for the car as much as for me, but I was hardly going to complain, I had this gorgeous young blonde willing to spend a weekend with me down on the coast!

So I picked her up, top down, and off we went, the wind in our hair. The journey down was pretty uneventful, the two of us merely enjoying the ride. In those days, you couldn't just turn up at the hotel, check in and dive between the sheets, you had to show her a good time. Once we'd dropped our bags off, and Joanie had freshened up, we took a stroll along the pier and had a little lunch somewhere. In the afternoon, Joanie wanted to see some more of the coastline, so she said, I suspected she just wanted to be in the car again, to be seen cruising along the sea-front in it like some movie star, with her hair tied in a scarf and a large pair of sunglasses on.

Anyway, we buzzed along the coast for a while, ostensibly admiring the views, until we found ourselves out in the open countryside. Now was the right time to make my move, I thought, and so I pulled over and together we took a little stroll along a coastal path that was up on some cliffs. I'd brought along a blanket and a bottle of wine so that we could have a sit down and a little drink and listen to the waves crashing against the cliff face down below. And also because if I got her a little bit tipsy, alone, spread out on a blanket, my chances of getting my hands on her body would be greatly increased!

And I wasn't wrong; the sun, the sea air, the wine and the thrill of riding around in an open top sports car all helped me to seduce this curvy blonde and, after a half hour or so of languishing on the blanket, I had her top off and her bra undone, and her skirt up over her

ASHLEY

So, Ashley, welcome to Mayfair Magazine, and what a fantastic debut photo shoot! Our photographer couldn't stop raving about how great you were. "Thank you!" Our readers are probably imagining what happens when you click those high heels of yours together! "Obviously they take me to Wonderland while they're clicking against each other behind my head while a giant cock makes me squeal with delight!" That's *Alice In Wonderland*, we were making a *Wizard Of Oz* pun! "Does it really matter? I'm sure that your readers are far more interested in checking out my naked body than they are in my knowledge of classic kid's movies!" That's a fair point, and we're much more interested in the former too!

hips.

There's something particularly erotic about having sex out in the open. It's not so much the thrill of being caught, for me it's more the pleasure gained from feeling the sun shining down on my naked arse as I'm pumping away that makes it so sexy.

Joanie turned out to be quite the horny little lover once I'd got her knickers off. Her hairy young snatch was wet to the touch and after a little fingering, she was raring to get my clothes off and have me inside her. I obliged by standing up and stripping off as she sat up and toyed with my member. With most of the girls I had been with, it was a case of missionary position only, but Joanie was more experimental than that, getting down on to her hands and knees and wiggling her delicious little bum right at me.

We didn't use condoms much in those days, so I just plunged myself in straight off as Joanie rubbed her clitoris frantically, occasionally reaching for my balls and giving them a little squeeze. But the best was yet to come.

I was happily banging away at her from behind when she suddenly pulled away from me.

For a moment, I thought something was wrong, maybe we'd been spotted, but then Joanie turned to face me and, with a saucy little smile on her face, she lay down on her back and slid underneath my spread legs. Then she leaned forward and took my balls, one by one, into her mouth, sucking on them ever so gently, before pulling my dick down and taking it into her mouth. She sucked on my cock lovingly for some time as I knelt there, back straight, staring at her pussy, hands on my hips, loving every minute of it.

"Well, come on, get your face down and lick my hole," she said, and I came to my senses and did what was expected of me, tentatively tasting her juices until I started to enjoy it and lapped it all up.

That was better, now that I was bent forward, I could get my prick right inside her mouth and soon I was fucking her mouth as if it was her quim. I was delighted when Joanie came, her moans muffled by my large rod between her lips, and it drove me on to come too, as I did, blasting my thick cream all over her face, chin and tits as she squeezed my balls.

That was the start of a long weekend of wild sex. We fucked in the sea, in the car, on the bonnet, in our hotel room and in every field we found, she even wanked me off on the way home! Ah, happy days!

Michael, Hampstead

Dear Mayfair,

Like you say, Amber Starr really is just like something that has fallen from the skies and landed on our laps! And she went on and suggested that she wouldn't mind falling on top of the Editor of Mayfair's lap, which just blew my mind away. Just looking at her with her legs spread on the sofa, I couldn't imagine having her sat on top of me with my cock entering her and disappearing inch by inch (not that there are that many so I wouldn't go that deep!), it would be a dream come true. Please can we see some more of her, and soon!

Keith, Ipswich.

Dear Mayfair,

I can't help noticing that with the warm weather coming, all the lovely ladies come out onto the streets as near to naked as they can get without being arrested. So why then are there so many bearded hippies complaining about global warming when this is probably the best chance they'll ever get to see a real live naked woman? It seems to me that the hotter the weather the hornier the women, and so I'm starting a campaign to increase carbon emissions. If we can get the planet to be as hot as it's been the last few summers all year round then, according to my calculations, every woman in the land will be begging for cock every second of the day!

Imagine the consequences: it'll be so hot that women the world over can't concentrate on anything other than their new mantra, 'I need a knob, I need a knob,' as they prowl the streets looking for men. This will solve many of our towns' violent crime problems, as no one will bother going out on Friday and Saturday nights looking for trouble – we'll all be too knackered from spending the week knobbing anything that moves!

The government will have to pass a new law that allows people to have sex in public because there just won't be enough space in our jails for all the sex maniac babes. This in turn will cause women to stop wearing clothes, thus ending the need for a fashion industry in one fell swoop! No more 'does my bum look big in this'! Yes more 'put that big dick up my arse'!

You'll never need to wank again! Just step outside your house and there'll be a queue of lovelies just begging to tug you off – onto each other!

There's only one downside, we'll have to do all our own cooking, cleaning, washing up and shopping. But hell, I can live with that, I will eat takeaways and use babes as plates. Plus, they'll be so hot for cock they won't notice that I smell bad and my clothes are from 1976! Christ, I can hardly contain myself! I'm off to start the ball rolling right now by buying myself a Hummer and driving it to John O'Groats!

Has she discovered some sort of secret formula, because if so, there are one or two people round the Paul Raymond office who could use a bit of it pronto! LOLA

Lola's got rather a groovy pad. It looks more like 1969 than 2024 to us, so what's the big idea with the 50-year-old vibes? "I studied design at college, and I've always loved that era – the clothes, the music, the art, so of course I wanted my place to look like that! I love trawling through second hand shops and boot sales for things that'd look good in my living room." Well, the best-looking thing in it is you and you've still got your clothes on! "I guess I should take them off then!" Yes please, but no rush, we've got our eyes on that lamp in the corner!

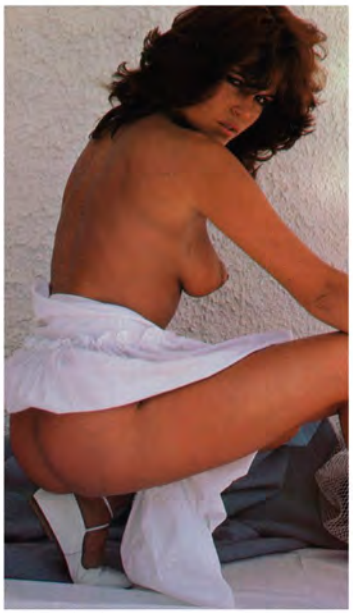
MIA

Fancy a roll around with Mia Middleton? We do! And who in their right mind wouldn't after looking into those inviting eyes, as she shows off her toned body and stocking clad legs. A feast for the eyes that would keep you fed for weeks. But what does Mia think of her Mayfair fame? "I'm truly shocked by how many fans I have now, so thank you to all you lovely people out there." Mia gets our seal of approval, and we're sure she'd get a royal one too.

Carol

Our series of "The girls you've asked to see' has been enormously successful because we bring readers their favourite girls as they'd like to see them – wearing as little as possible. And when we get a request for a particular girl we always do our best to track her down, so a letter from R W of Bath sent us into action. He wrote: 'In my Starbird calendar for 1984 there is a real stunner called Carol Needham, with the most stupendous boobs. Unfortunately she is the December girl, and I don't think I can wait. Is there any chance of seeing her in Mayfair before then?' We're happy to oblige R W



With her beautiful brown eyes, pretty face and sexy 34B-24-35 figure, Carol is in great demand as a model, and is a regular Starbird. She has also appeared on The Sun's Page Three, and in the Daily Mirror. Carol is also one of the few English girls to be featured as a Playboy Playmate. Back in 1978, when she was just 18, she was flown out to the USA for the photo-session, and spent three months at the Playboy mansion in Los Angeles. The pictures appeared in February 1979. Carol is still a regular visitor to America, and her modelling career takes her all over the world, as our sexy 23-year-old is much sought after.

Carol used to live in Sunbury-On-Thames in Surrey, but now when she is in England her home is in Southport. To keep her figure in such excellent shape, she bicycles regularly, and is a keen dancer. For a less strenuous sport, Carol enjoys playing darts when she pops in at her local.

Carol is one of the original wonders of Woolworths because she used to work on the biscuit counter at one of their stores before getting a break in modelling. She went to an agent who sent her to The Sun. They quickly recognised her potential, and before you could say crumbs she had become a Page Three girl. Now Carol is thing of going into acting. She has already made her screen debut with a small part in the film Severn. There is more to Carol than her beautiful face and figure. She is an enthusiastic chess player, and in her spare time also likes to paint. You could even call her a numismatist, but don't go reaching for your dictionary, it simply means she collects coins. Another of Carol's loves is chicken, and she jokes she eats so much of it she should have been born a fox. We're certainly all very grateful she wasn't.

"For fuck's sake Sandra! Will you just leave it to me to get the waiter's attention?!"

LORENA

If you've got a bit of a foot fetish, then Lorena is the girl for you! I love people playing with my feet," Lorena tells us. "I like to have the soles of my feet massaged and my toes sucked one by one, but the thing that gets me off the most is having my toenails manicured, it gets me hornier than anything else! Partners that I've been with find it weird at first, but when they understand just how crazy I get about it and the mad fucking that follows they always have the nail scissors, varnish and candles out the moment I walk through the door from work!" And do you like to play with their toes too? "Only when they've got a big toe gently pushing itself inside my bum and pussy!" Maybe we'll just leave it there as this is all a bit beyond us! "Ahh, you're so simple minded aren't you?"

Quest.....

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we – and here they are!

My preference has always been for women with generous curves and large tits. However, last week I met this dinky little hottie called Olivia, who not only sucked my cock like a dream, but also gave me the most fabulous fuck of my life.

I was on my way home from the pub when I took a fancy for some chips to help soak up the beer I had downed, and that was when I literally bumped into her. I was dashing into the chippy as she was coming out, and we collided. Her chips and whatever else she had bought fell on the floor, so me being a gent, or at any rate attempting to appear like one, I helped her pick them up, apologising for being such a clumsy bastard.

They were totally ruined, and the least I could do was replace the grub. She tried to argue that it was her fault, too, but I'm fairly persuasive and she gave in without too much of a fight. For a skinny bird she was fairly easy on the eye, and although her knockers could have been no more than a B-cup, they were pert and jiggled nicely when she moved.

Olivia was easy-going and vivacious, chatting away brightly as we waited for our order. She was standing close to me and her hands kept touching my arm as she talked, which I thought was a good sign on the body language front. The fact is, though, her braless tits bobbling around was just about the only body language I needed.

It turned out that she lived quite close to me, so I chanced my arm and asked her back to mine for a drink.

Olivia was up for it and agreed, and made a phone call to her flatmate to tell her she was staying out and might not come back at all that night. Get in! Things were definitely looking up. It's only very rarely that I meet a totally up-front girl like this, and I was going to make the most of the opportunity.

We were only in my flat a few minutes when Olivia began to undress, removing her jeans and flashing her saucy little arse-cheeks in a minute G-string. I followedsuit, removing my jeans before cracking open a couple more beers, which we drank from the bottles. Olivia is a strictly no-nonsense bird, and I don't think the word "coy" even features in her vocabulary. She sat on my couch with her legs spread apart, cheekily sucking the sauce off her chips. My balls were so fucking tight I thought I was going to explode in my boxers.

> "My balls ached and tingled as I prepared to come, and I rolled her over onto her back, and, holding her down, drove my cock into her pussy.."

The provocative little bitch laughed as I put my food to one side and stripped off my shirt and shorts.

She looked up at me with a grin and mockingly said that she'd hoped that I would "finally take the hint".

At this point, I grasped her wrist and dragged the naughty minx into the bedroom. She quickly stripped off the rest of her clothes and shoved me back on the bed, straddling my stomach as my hands instinctively reached for her pert little tits.

They felt great, and I nipped and pinched her hard little nipples, making her coo and giggle with delight. She threw her head back, grinding her mound against my abdomen as she moaned with pleasure at my touch. She was already damp and hot as she began to rock back and forth, grinding her wet cunt against my bare skin, and all I could think of was pushing her over and fucking her.

Totally in control of the situation, Olivia got onto her hands and knees, crawling over my body until her pussy was only inches above my face. Kneeling over me, she began caressing her own body, sliding her hands sensuously downward and brushing her fingers through the soft curls of her neatly trimmed pussy. She puled her lips apart, giving me a first class view of her soaking fanny and allowing the scent of her arousal to waft to my nostrils.

I grabbed her arse-cheeks as she began to finger her cunt lips. My tongue darted upwards to taste her juices.

She held herself open for me, so that I had a perfect view of her juices as they trickled down her pussy lips and ran down the inside of her thighs. Raising my head, I ran my tongue up her soft inner thigh, lapping the moisture up as she lowered herself down and gave me access to her hot, soaking hole.

My hands tightened on her arse, and, as I thrust my tongue between her pussy lips, Olivia began rubbing her clit. She climaxed with a series of jerks and a gasp, pressing a finger hard against her clit as she came, her orgasm squirting jets of her come into my open mouth. She was so fucking hot that her climax had hardly finished before she was wriggling backwards and repositioning her fanny right over my erection.

Taking my cock in her hands, she rubbed the helmet along her slit, before lowering her pussy right down on me, engulfing my whole shaft in one smooth movement. I almost wrecked things by shooting my load right up her on the spot, but managed to hold her still until the danger passed, and then she began riding up and down on my shaft, her juice-slickened pussy sliding easily on my solid prick as she rose and fell, gaining momentum with each stroke.

Suddenly I felt her pussy muscles tighten like a vice on my throbbing cock as another orgasm began. Her pussy spasmed with each contraction and held my shaft so powerfully that it felt like she was trying to milk me. With each spasm a spurt of her juices jetted from her pussy, trickling down the length of my shaft and making my tight balls sticky.

As her orgasm peaked, I gripped Olivia's hips and steadied her as she ground down, her breath coming in harsh gasps. My own climax was only a few strokes away, and, as her fanny muscles clenched tightly around my cock,

> "Feeling Andrew's cock driving in and out of me was bringing me closer and closer to my first orgasm, so I reached behind and squeezed his tight balls, knowing that all his cum would soon be inside me.."

my balls tightened and I came hard, filling her with my warm creamy come.Michael, Newcastle

I got engaged to my boyfriend recently and to celebrate we decided to take a fortnight's holiday in the Bahamas. The resort was quite trendy, and after a few days we'd made loads of friends and were having a whale of a time. We'd chosen a couples' resort and most of the people there were in the 18-30 age group, just like me and Andrew. In the first few days we heard a lot of people talking about something called Captain Moran's 'Night Dream Cruise' which was supposed to be some kind of midnight boat trip with a bit of a difference.

We decided to find out more about it and tracked down the Captain at the old harbour for more information. He made no bones about it, and simply explained that he offered midnight boat trips to young couples who wanted to fuck each other silly in the moonlight after a few glasses of special punch. Well, we booked tickets, but the Captain's little excursions were so popular that he was booked up until only a couple of nights before we were due to go home, so we contented ourselves by fucking each other silly in our chalet until then.

The boat actually set sail at ten, so there was plenty of time for everyone to get in the mood, and I guess there must have been at least 20 other couples all ready for a bit of 'romance' by moonlight.

There was lots of dancing and plenty of punch, so much in fact that I was feeling very drunk after an hour and a half when suddenly the music changed to the romantic variety and everyone started getting very intimate with their partners.

Me and Andrew weren't quite sure what to expect, but it seemed like virtually all the other couples had done this before.

As the music slowed, the groping and fondling increased, and before long some couples had literally stripped off and were fucking on deck right before our eyes.

There's no greater aphrodisiac than seeing another couple having sex, but dozens of them fucking at the same time sends a girl's

hormones into overdrive.

We may not have been the first to get stuck in, but we certainly weren't the last, and before long we were snogging like mad and pulling at each other's clothes.

Andrew leant against one of the masts and I dropped to my knees, pulling his shorts down to his ankles. I noticed a couple of guys watching me as I took Andrew's rigid cock into my mouth.

Peeling back his foreskin, I sucked noisily on his swollen prick, enjoying the silky feel of his knob inside my mouth. It was odd doing this surrounded by so many people, but everyone else was doing the same thing and listening to all the other sighs and moans was a real turn-on.

I lay down on the deck right next to another couple, and Andrew positioned himself between my legs with his stiff dick in his hands. The girl lying next to me was moaning and I sighed, arching my back as Andrew's stiff cock sank into my dripping wet hole. His hands slid underneath me, gripping my buttocks, and he drove his rock hard meat in and out of me as if he was just using my body to wank with. The couple next to us were showing off and the guy was spurting his cum all over his girlfriend's stomach. If we'd been just a bit closer I'm sure some of it would have hit me. What a shame we weren't.

Andrew rolled me over onto my tummy and I got to my knees so that my bottom was up in the air. I felt his thumbs parting my cunt lips and his tongue licking up and down my wet slit. The experience was electric and we made the most of being voyeurs and exhibitionists at the same time. I loved the thought that other couples were getting off on watching Andrew and I fuck, and I started moaning more loudly as our display became ruder and ruder.

I felt Andrew fingering my wet clit and I cried out in ecstasy as his stiff cock pushed inside me. Our bodies moved rhythmically and I saw that the couple next to us were now in the 69 position, sucking and licking each other wildly. I chuckled to myself as I mentally congratulated Captain Moran on his enterprise and initiative.

Feeling Andrew's cock driving in and out of me was bringing me closer and closer to my first orgasm, so I reached behind and squeezed his tight balls, knowing that all his cum would soon be inside me. I was taking short rapid breaths as Andrew's hips banged repeatedly against my bottom, and my heart pounded excitedly as I watched a really hunky guy hungrily licking his girlfriend's pussy right in front of me.

Being surrounded by so many people humping felt so debauched, and feeling some sticky goo run down my shoulder showed that it wasn't just Andrew who was enjoying my dirty performance.

Andrew grabbed my hips and sank his cock deep inside me, moaning out loud as his spunk pumped into my sodden hole. A few of our fellow fuckers turned round to watch us cum in the moonlight, and knowing that we had an audience tipped me over the edge and I cried out as a delicious climax exploded through my body.

After we'd both finished cumming, I jumped up and got us a couple of glasses of Captain Moran's magic punch, before I cuddled up with Andrew to watch some other couples finishing off. One girl was going at two cocks at once, wanking and sucking, her smiling face and hair slick with spunk from countless other guys.

I bet the locals were always eager to sign up as crewmen on this boat and had juicy stories to tell when they got back to shore.

Georgie, Bournemouth MF

May I've never really thought about nailing an older woman before last weekend. To be honest, older birds have never really appealed to me. However, since meeting Sharon I can see the advantages and intend to fuck her again next weekend.

Anyway, I'd had a lot more to sup last Friday night than usual, and found myself becoming horny as I looked over the talent at our local. There weren't many there that I hadn't been with at some time or another, and, seeing nothing new, I was beginning to curse myself for not joining a gang of my mates who had fucked off to a club in town.

Sighing with resignation, I returned my attention to my mate Rob, who was rattling on about the football, when I spotted Sharon sitting with some others and looking just as bored as I was.

Although she was older, I found myself fantasising about sticking my cock between her big tits and then spunking over her face. Not

"She cried out with excitement as I began to fuck her with all my might, pounding her tight slit until her back arched and her body shuddered as she came, her cunt muscles gripping my cock tightly.."

very gentlemanly thoughts, I know, but then I was feeling very horny, and with very little prospect of pulling that night I reckoned that I'd just have to use my imagination and wank.

I must have been staring at Sharon, because she caught my eye and smiled, and without really thinking I smiled back and even winked at her. This cheeky laddish behaviour seemed to appeal to her, because she gave me a little wink back. Most surprising of all was that, just as I was trying to think of a way to approach her, she got up and came over.

I offered to buy her a dirnk, and things got a lot less complicated from there on.

Rob, not needing much of a hint to see where the land lay, fucked off home to his missus, and, not long afterwards, Sharon and I

headed back to her place. Once inside we went directly to the bedroom, where she began to undress me, unfastening the buttons on my shirt and even playing with my nipples. Pulses of pleasure were rippling through my body, my stiff cock was throbbing in my pants and my balls ached.

Struggling to hold off and not spunk off in my shorts, I tried to concentrate on satisfying this amazing woman. No matter that she was 30-something, she was a stunner, and I swiftly removed her blouse and bra. Her breasts were really big and firm and even more appealing than I'd imagined them, and, as I started to suck on her hard nipples her body writhed with pleasure and she pressed it against my throbbing erection.

She was fucking smouldering hot, and we ended up naked on the bed with me exploring her with my tongue as she stroked and caressed my body. Dipping my tongue into her wet slit, I pushed it between her pussy lips and lapped at her juices. Holding her fanny apart, I pushed my tongue in as far as possible and tongue-fucked her.

"She climaxed with a series of jerks and a gasp, pressing a finger hard against her clit as she came, her orgasm squirting jets of her come into my open mouth.."

Eventually, I replaced my tongue with my fingers and frigged her until she came so hard that she was squirting her juices on my palms.

Then she took my hand and did one of the most erotic things I have ever seen, licking her own juices off before sweetly sucking on each of my fingers until my hand was clean.

I was gobsmacked.

Then, when I lay back, she began to give me a hand job. Spreading my legs, she knelt between them and gently played with my balls. Her touch was so stimulating, and my cock hardened as pre-come seeped from my bell-end. It was a slice of pure Heaven.

Sharon held my cock by the base with her left hand, and, with the index finger of her right, she circled my purple helmet. The sensation was amazing, and, although my ball-bag ached for release, I was determined to make the most of every moment. Her hands were fucking magic, and I watched with growing pleasure as she gently teased the head of my cock with her fingertip.

Moving down, she took my dick between her lips, and, sucking it inside her mouth, she bobbed her head on my throbbing shaft. I was just beginning to feel my balls tighten when she stopped, and, removing my cock from her mouth whispered: "Not yet." Confused and frustrated at being so close, I protested, calling her a prick tease, but she just smirked, put a finger to her lips, and, straddling me, mounted my cock.

With her tight pussy gripping my shaft she rode me, bouncing up and down on me as her large tits wobbled with her movements. I watched the show, enjoying seeing her do all of the work and enjoying the pleasant change from the younger birds I usually dated. Confidently, she fucked me, and I could see that she really got off on taking the lead. She was as willing to give pleasure as take it, which was completely fine with me!

My balls ached and tingled as I prepared to come, and I rolled her over onto her back, and, holding her down, drove my cock into her pussy.

She cried out with excitement as I began to fuck her with all my might, pounding her tight slit until her back arched and her body shuddered as she came, her cunt muscles gripping my cock tightly. Then I began thrusting my cock even deeper into her pussy, my balls slamming against her. Her pussy was still contracting when I pulled out and sprayed my junk all over her tummy, watching her writhe with pleasure as I unloaded.

CARA

Cara Delevingne might have taken the world by storm thanks in large part to her magnificent eyebrows, but taken all in all, we'd much rather hang out with our similarly named Cara Delahoyde. After all, she's absolutely delectable from top to bottom (ahem, especially that bottom!) and, now we come to think of it, her eyebrows aren't too shabby either! "Ha – it's funny you should say that, because I am pretty fond of my eyebrows myself!" she giggles. "Look, if I do this, I can raise them individually…" That's very impressive, but then you've always been a natural at raising things as far as we're concerned!
